

## **BC LONES COORDINATOR (PROGRAM COMMITTEE)**

Were you the Girl Guide who loved pen pals and communicating with other Guiding members? Do you love the idea of including all BC Girls in Guiding, regardless of their community or challenges in attending local meetings?

The BC Lones Coordinator acts as Commissioner for all our Guiding members who, for various reasons, are unable to join a regular unit. The BC Lones Coordinator ensures that the Lones Members are assigned to a Lones Guider and if possible, connected also with local units for some adventure and fun activities. This is a perfect position for Guiders who are good communicators.

The Lones Coordinator is a member of the BC Program Committee and will attend the Program Committee meetings.

The Lones Coordinator is also responsible for ordering cookies for Lones units.
