Communications Plan Guidelines

A Communications Plan is the written set of instructions to follow for contacting emergency agencies, GGC authorities and parents in the event of a crisis situation and is incorporated into your Emergency Response Plan (SG.4). The plan covers a number of functions that need to occur to smoothly manage emergency communications. For most situations, the communications pattern would look something like this:

1. The Responsible Guider or Substitute Group Leader contacts:
 - EMS and/or other local authorities, when necessary
 - Group members (to provide reassurance)
 - Home Contact Person (if applicable to your activity)
2. Home Contact Person (where applicable) or Responsible Guider makes initial contact with parent(s)/guardian(s) to provide current status report and next steps.
3. After dealing with immediate needs, Responsible Guider or another group leader may contact parent(s)/guardian(s) personally to discuss further details, answer questions and problem solve where applicable.
4. Once the situation is over the Responsible Guider notifies GGC Authorities as per the Incident Reporting guidelines in Safe Guide (Form: Ins.01).

Crisis Management

A crisis is an incident or situation that may potentially cause or has caused harm to an individual or group. It is also a situation that may have negative public or internal implications for Girl Guides of Canada. Examples of a crisis are:

- Death of a Member
- Serious injury
- Sexual misconduct or impropriety in the relationship between a volunteer or staff or child's parent
- Abuse or negligence of a child
- Misuse of Guiding funds
- Criminal charges against a Member
- Charges of discrimination or violation of human rights

The national office will manage the communication of a crisis with members, their families and media. Only those individuals authorized to do so will speak publicly or with the media on behalf of the organization.

What to do in a crisis situation:

- Ask for assistance from EMS in contacting parents/guardians.
- Notify the Provincial Commissioner. Your District Commissioner/ACL will be able to help you reach her. Or your provincial office or website may have an emergency contact number.
- Provide the Provincial Commissioner with details of the incident. Use the script with the Emergency Response Plan (SG.4) as a guide.
- Do not talk to the media.
- Notify all participants that they must not use cell phones or send electronic messages to friends and family.
- Contact the national office as quickly as possible once the immediate crisis is over. Your Commissioner can assist or follow your provincial communication plan. Provide details of the incident. Use the script with this Emergency Response Plan (SG.4) as a guide.

Any media inquiries received by GGC members must be referred immediately to the national office. An appropriate response to the media would be:

"I'm sorry, our policy is for all media inquiries to go through the national office. Please contact them and the appropriate person will respond to you as soon as they are available. The phone number is (416) 487-5281."
