New Guiders

Can you believe we're now in the second half of the Guiding year?

We're writing to ensure you have everything you need to complete the New Guider Learning Path. If you've already completed the courses, congratulations!!

As you may know, the New Guider Learning Path is a series of five courses that prepares Guiders to lead their units. All Guiders are required to complete these five courses within their first six months of joining a unit. You can complete the courses in a way that works best for you. Choose the method that suits your schedule and preference – online, in-person, webinars, or a combination.

Online: Complete the courses at your own pace when it's convenient for you. All the e-courses are available on Member Zone under Training – New Guider Learning Path.

In-person: Looking to connect with other Guiders, network and make new friends? Why not attend an in-person training! The New Guider Learning Path courses can be completed in-person with a Trainer. Check with your Area Training Adviser to find a training event near you.

Webinars: check the Alberta Council calendar and website for dates and to register.
