Girls First Webinars

Alberta Council continues its series of webinars for Guiders in July, August, and September. **The registration forms list available course dates for each session.**

The first one: *Introduction to Girls First* covers the program basics and is open to Guiders from all branches. It will look at the *WHY* and *WHAT* of Girls First. Trainers record attendance in iMIS. To register, click [here](#).

Unique to Alberta Council, the second webinars are Branch specific and cover *HOW* to introduce Girls First into your unit. You must complete the *Introduction to Girls First* Webinar or attend a one-hour face-to-face session to register for a Branch specific session. These webinars are not mandatory, but they will help you introduce the program in your unit. Attendance is recorded in iMIS.
