A - lou-et - te, gen-tille a-lou-et - te, A - lou-et - te, je t'y plu-me-rai.

Although this song actually originated in France several centuries ago, it is better known today as a French-Canadian song.

Alouette is a lark. Loose translation - I will pluck you from ...

The soloist sings a new body part in bar 5 and then repeats the previous body parts in reverse order in bar 7:

la tete - the head
le bec - the beak
les yeux - the eyes
le cou - the neck
les ailes - the wings
le dos - the back
la queue - the tail
