Celebrate 48

Words & Music: Sheila Goulet

We have our camp - fires burn - ing, The sun is re - turn - ing,

Come, ce - le - brate with light. With all our lan - terns beam - ing,

Can - dles a - gleam - ing, Come, ce - le - brate with light. All na - ture

lights our way, the sun in the day, The moon and the shi - ning stars at

night. So with our flash - lights blink - ing, Glad eyes a - twin - kling,

Come, ce - le - brate with light.
