

Stalking Games Instructions

Part 1

1. Sit everyone in a circle on the grass.
2. Place jangly objects like keys or bells in front of one girl within her reach, her eyes must be closed the whole turn.
3. Another girl is chosen to creep up and grab the keys before being touched by the girl guarding them.
4. If the stalker is successful then she keeps the keys and someone else is chosen as the stalker.

Part 2

1. Have the girls choose what they would like to stalk; a bird, squirrel, or a Guider.
2. Let them choose how they will creep through the woods or long grass. Who is the quietest?
