Come Along with Me

Come and join the Girl Guides,  
And see what fun can be;  
We'll camp and sing in a campfire ring,  
Come along with me.

All ages join together,  
To form our Sisterhood,  
We circle round our great big world with deeds both kind and good.

Come and join the Girl Guides,  
And see what fun can be;  
We'll camp and sing in a campfire ring,  
Come along with me.

Let's spread the word to others,  
Of what we try to be;  
We'll gladly share our friendship with everyone we see.

Come and join the Girl Guides,  
And see what fun can be;  
We'll camp and sing in a campfire ring,  
Come along with me.

Come sit around the campfire,  
And join with me in a song,  
Just watch the love and the friendship grow as we all sing along.

Come and join the Girl Guides,  
And see what fun can be;  
We'll camp and sing in a campfire ring,  
Come along with me.
