### Lend a Hand Game

Each girl can create her own set of cards based on her own community, family, talents and capabilities.

Materials:

Ziplock bag (labelled with Brownie's name)  
20 index cards  
Scissors

Using pictures (hand drawn or from magazines) and words, each Brownie will create her own Community Service Lend-a-Hand Memory Game.

Brownies will think of 10 "pairs" which are tied to Community Service. Each item will be written, drawn or glued onto a card, while its "match" is placed on a second card. Some examples:

A park - candy wrapper (meaning: do a litter chase at a nearby park)

A adult - snow shovel (meaning: shovel your neighbours sidewalk)

A teacher - sharpened pencil (meaning: sharpen pencils for your teacher)

A dog - a new collar (meaning: donate collars or food to the Humane Society)

Cards are stored in the plastic bag.

To play:

Place the 20 cards face down on a flat surface. The youngest player goes first and play moves to the right of the circle.

Player 1 identifies, and turns over, 2 cards.

If the cards match player 1 keeps these cards. If they do not match the cards are returned face-down to the playing area.

Player 2 now identifies and turns over 2 cards.

Continue until all 20 cards have been matched.
