Girl Guides Celebrate 90 Years of Camping at Wa-Thik-Ane

Morin Heights, Québec – **On Saturday August 13th, Guiding members will gather at Camp-Wa-Thik-Ane in Morin Heights to celebrate their beloved camp's 90th anniversary.**

Guiding began in England in 1909 and made its way to Canada by 1910, with the first unit in St. Catherine's, Ontario. By 1912 there were units in all provinces and in 1926 Camp Wa-Thik-Ane was opened in Québec to provide girls with opportunities to learn and develop new skills in the great outdoors.

Although camping equipment and styles have changed over the last 90 years, the purpose of camping in Guiding has not. Through activities such as boating, outdoor cooking, hiking, exploring, team-building, gadget-making and campfire singing, girls learn to appreciate nature and gain a sense of independence and sisterhood. All of these activities point towards Girl Guides of Canada's mission: to enable girls to be confident, resourceful and courageous, and to make a difference in the world.

Every year, teams of dedicated volunteers provide girls with opportunities for spring, summer and fall camping on the grounds of Camp Wa-Thik-Ane and the shores of Lake Bouchette. This weekend, women and girls who have camped there over the last 90 years will be revisiting the site and setting the stage for another 90 years.
