### Cookies:

- It's expected that we will buy more than 2.9 million boxes of the classic vanilla and chocolate cookies at \$4 per box. The cookies have been sold in Canada since 1927.
- The cookies are made by Dare Foods Ltd. in a nut-free/peanut-free plant and have zero grams of trans fat.
- Over 320 units across the country participated in Sears' Day this month.
- The shelf life for the classic chocolate and vanilla cookies has been updated to 8 months. Research is underway for the shelf life of the chocolatey mint cookies which is to be announced for the 2012 mint campaign.
- From the Girl Guides of Canada website, this recipe was created by the 2nd Hampton Pathfinders in Hampton, N.B., and shared by Joanne Nickerson:

### Girl Guide Cookie Cheesecakes

6 vanilla Girl Guide cookies	2 - 225-g (8-oz) pkg soft cream cheese
6 chocolate Girl Guide cookies	5 ml (1 tsp) vanilla
125 ml (1/2 cup) white sugar	2 eggs

### Method:

Line 24 muffin tins with medium-size muffin liners. Split Girl Guide cookies in half and eat the creamy filling. Place 12 vanilla cookie halves in one muffin pan and 12 chocolate cookie halves in the other muffin pan (remember to place the cookie wafer emblem-side-down so you can still see it once the cheesecakes are cooked). Mix cream cheese, vanilla and sugar on medium speed until well blended. Add eggs and mix well. Pour over wafers, filling 3/4 full. Bake for 20 minutes at 160 C (325 F). Remove from pan when cool and chill. Top cheesecakes with toppings of your choice (caramel sauce, whipped cream and a few pecans on the vanilla cheesecakes or try a little whipped cream and some chocolate shavings to dress up the chocolate cheesecakes)
