The PC Challenge: February

Every month, the PC team will have a new challenge for you to help grow Guiding, cover parts of the program, or simply have fun!

This month, we're challenging you to put an event on the [Cookie Finder Map](#). Whether you're selling door to door or outside a store, adding your date and location will help potential customers find you and your cookies!

Message from the PC Team

Thank you all who volunteered, planned, supported and attended our highly successful Symposium 2019! What an exciting day it was. Our trainers outdid themselves and delivered new and innovated material, all in line with our new vision and mission.

As we anxiously await for spring to arrive, our Guiding calendars are full of exciting events and activities for the girls to look forward to before the camping season begins. It is our role as catalysts to extend the invitations and to share ALL the events with the girls. It is up to them as decisions makers to choose, alongside their families, which events they want to attend.

We have mentioned and will keep mentioning that these events and opportunities are planned by you volunteers, and a lot of time, planning and money goes into them. It is our responsibility to fill them up! Our mission is to give girls as many opportunities as we can and you are our voices in your units, you are the ones that can bring the events to them so that they can choose. It is the cornerstone of what Girls First is about.

We are very excited about our SOLD OUT World Thinking Day event at Marché Bonsecours, which the planning team has been working on tirelessly. We look forward to seeing you there.

Next is Spring cookie season! And cookies just happens to be the PC Challenge of the month! Remember that you can offer the girls the possibility to sell more than her two cases, perhaps allowing them a profit of \$5 or \$10 per extra case as a future GGC coupon they can use towards anything Guiding (camp, events, etc) as an extra incentive. This money would then follow them through their branches if it's not used up this year.

Thank you for Guiding with us!

RoseAnna and Carol

Snow Trails

On February 1, I pulled in at Camp L'Estacade to join 42 other campers who were participating in Snow Trails 2019! We had plenty of snow this season, which allowed all our plans to proceed as scheduled.

On Friday night once we had all arrived, campers reached into a paper bag to choose a movie ticket. This ticket determined their team for competitions and roommates for their stay. The evening was topped off with a snack and Disney movie trivia game to begin the competition.

Saturday morning brought a delicious breakfast of bacon and eggs and the start of some great fun and adventures. Our day's round robin challenges included riding magic carpets from *Aladdin*, obstacle course from *Mulan*, building our own version of Olaf and the silent snow shoe trail spun from *The Little Mermaid*. It really was a test of teamwork watching campers compete in silence on a snowshoe relay race with silent pit stops to switch snowshoes on competitors.

Puzzles and games entertained campers on the downtime with of course time to plan their skit from a Disney movie of their choice to be performed later Saturday evening. Our evening ended with a wonderful “Mad Hatter” style tea party.

Sunday brought the big scavenger hunt, indoors and outside, to tie our events together and bring an end to the weekend’s competition.

A big part of camp is the food and campers at Snow Trails Disney were treated to delicious treats and meals, themed to match some great movies and characters.

Everyone went home a winner with new friendships and lots of great new memories!

A Dream Come True

As most of you know by now, we will be renovating our Stavert Lodge at Wa-Thik-Ane so we can enjoy the winter months of the camping season.

This is a move to offer our members in Québec and nearby neighbours access to the beautiful camp property we have on Lac Bouchette in Morin Heights year-round.

Wa-Thik-Ane offers a whole other environment in the late fall and winter months and new experiences are waiting to be shared.

Please be patient with us as we begin our 2019 season on a limited access so we can complete this major renovation.

Thank you to all my sisters in Guiding who have supported me and this project from the beginning idea to the execution.

I look forward to sharing winter trails with you at Wa-Thik-Ane!

Geordie Productions: Reaching for Starlight

Geordie Theatre and Guides Québec are once again collaborating to present a special performance for Guiding members: [Reaching for Starlight](#)

Saturday April 27th at 2pm

D.B. Clarke Theatre

(1455 De Maisonneuve Blvd. Montréal, QC, H3G 1M8)

Reenie wants to dance, like her mother did before her. Along with her classmates, she believes she has what it takes to earn the coveted solo at the year-end recital. But when she discovers that Maestra is not holding everyone to the same standard, Reenie begins a quest to investigate why her friend Maia is being counted out. If competition makes us stronger, then when comes the moment when winning doesn't always mean coming out on top?

Reaching for Starlight is a story about the way we move in the world. An urgent portrait of a young girl's journey of breaking barriers and illustrated through the glorious infusion of theatre and ballet, contemporary, and hip hop dance, Reaching for Starlight is a sensorial tour-de-force featuring some of the country's most dynamic young and established artists together on one stage.

Appropriate for all branches

PR Events

When a local PR opportunity comes up, an email must be sent to the Provincial PR Adviser at qc-pr-rp@guidescanada.ca copying the District Commissioner, by the Guider taking the lead on the event, for her review. The PR Adviser will be prepared to give advice, and specifically offer up suggestions on the most current messages GGC is looking to promote and how they should be delivered. She will also, in conjunction with the Communications Adviser, be able to help decide on the appropriate PR material for the specific event.

To get a better picture of Guiding PR in the province, we'd also ask that you complete the [Post-Event form](#) after your event so we can get a better understanding of which PR events work best in our province.

Together, we can work to grow Guiding in your unit and district!

World Thinking Day 2019

We are 10 million and we are singing!

While many members will be at our Marché Bonsecours event, WAGGGS has provided great resources for sharing the global sisterhood through the [activities and resources](#) for #WTD2019 #JMP2019.

Clicking the language tab provides English and French language versions of challenge materials too, making life easier for two-language units!

A Great Big Guiding World

Throughout the branches, the global nature of Guiding is part of our history. When girls reach Pathfinder age, the opportunity to travel, on independent trips with units or groups or through sponsored provincial opportunities, or Nationally sponsored trips, is all part of a new chapter of growing up in Guiding!

Need support in building a travel plan with girls? There are experienced travelers who can help – contact qc-international@guidescanada.ca.

Plan to try out for National travel ops! Girl and Guider applications are due in early September, so make time to promote these great adventures before the summer break, even before knowing what trips will be offered! It's a great big Guiding world out there!

Tip of the Hat

Christine Downey, Elizabeth Barnes, Catherine and Stephanie

I'd like to send a Tip of the Hat to the Barnes-Downey Family: Christine (Guider), Elizabeth (Guider), Catherine (Ranger), Stephanie (Pathfinder) and Bob (husband). When a fellow Guider had to spend two weeks in the hospital over the holidays and came out needing somewhere to recuperate, they welcomed her into their family with open arms, even leaving all of their holiday decorations up and hosting a second Christmas dinner in January since she missed the first one. This is what the Guiding sisterhood is all about!

Lizzie Knowles

Linda Cyr-Almanza

Linda stepped up when I needed a helping hand. It was a task outside her regular staff duties, it saved me time and travel and it was greatly appreciated. For this, you deserve a *Tip of the Hat*. Thank you.

Annette Levasseur

You can also send a Tip of the Hat to a Guider. Submit her name, her district and why she is special to the Awards Team (qc-awards-prix@guidescanada.ca). The Guider will receive a crest at home and it will be published in the Piccolo.

Cookie Sales

Spring cookie sales are around the corner. Safe Guide has an Activity Guide on page 64 to help you with your planning. Even if you have done this many times, have a look at the Activity Guide as it has some great tips. Although not required, as cookie selling is a Green level activity, it is never a bad idea to have SG.1 & SG.2 forms prepared, and you definitely should have an emergency response plan SG.4. These do not need to be submitted to be assessed.

Spring Activities

Many Spring camp or spring activities are in the planning stages right now. Give new or different Guiders the opportunity to do the paperwork so they gain experience. For a YELLOW ACTIVITY send SG.1, SG.2, SG.3, SG.4 and SG.5/7 if applicable to qc-sg-gs@guidescanada.ca at least 14 days in advance to be assessed. This is a new e-mail address, however the old @guidesquebec address will be forwarded. Don't forget to be using the current forms.

iMIS

Make sure that PRCs and A.7s are recorded in iMIS. If someone has completed their First Aid course recently, make sure it is recorded too. Send updates to qc-admin@guidescanada.ca.

Training

Remember that new Guiders have 6 months in which to complete Safe Guide training or they will be cancelled by National. Your District Commissioner can help you with the on-line version of this training.

District Book Reviews

The District book review swap is Tuesday, February 26, at 6pm at 270-100 boul. Alexis Nihon in Saint-Laurent.

If you can't make it, the books still need to be reviewed. You can either make arrangements with a neighbouring district, or have someone else within the district review the books. Please review prior communications for options.

Please refer to the January 2019 Piccolo for more details on what is required for book reviews for Districts, Units and Trefoil Guilds.

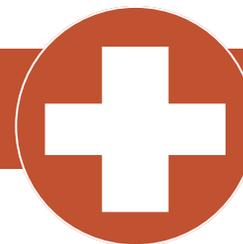

Other

Be sure to use the available documents on the [Guides Québec website](#). There are many guidelines and forms which may answer your questions, such as:

- Treasurer's Calendar
- 2019 Financial Package
- Financial Review Checklist

There are always possibilities for financial trainings, so please don't hesitate if you'd like one organized. If there are any questions in the meantime, don't hesitate to reach out.

DEAR OLAVE,

DEAR OLAVE: We're holding an upcoming camp and due to sickness, family issues and scheduling conflicts, we've had to change out a few of our Guiders. We've already received Safe Guide approval from our assessor to hold our camp. Is there something else we need to do?

Ready to Camp

DEAR READY: If there are any changes made to your camp/event plans after you've received the ok from your Safe Guide assessor, you'll need to reach back out to her with an update to your forms (in this case your SG.3 and SG.4). Make sure to contact your assessor as soon as possible as your new adults will need to be checked to ensure they have a PRC (and Safe Guide training/first aid as required). Your emergency response plan will need to be updated to reflect the new names as well. Don't forget to make sure that your home contact person has the correct list too!

DEAR OLAVE: A friend of one of my Brownies recently came to visit a unit meeting and has decided that she wants to join Guiding. I'm not sure what I should tell her about joining at this time of year. Is it too late? Does she still have to pay full price?

So Many Badges

DEAR SO MANY: It's never too late! Girls can join at absolutely any time of the year. The \$140 that they pay is actually a membership fee rather than a registration fee, so yes, they must pay it in full. Your unit can choose to prorate dues if you'd like. You can also explain to the parent that the membership fee gives them the opportunity to register their daughter for summer camp at the member price as well as lets her attend the rest of your unit meetings. Come April 1, we'll be running a program called *Try Now, Join Later* where girls will be able to join for free for the rest of the Guiding year, but April is still quite a ways off! This friend can try two meetings, and then it's only fair to the other girls for her to be registered.

DEAR OLAVE: I was able to find an amazing resource on the Teachers Pay Teachers website for an activity I recently [blogged](#) about. It literally saved me precious HOURS of work, for only a little more than just a few supplies would have cost me if I had needed to purchase them. It was appropriate for all age groups too! Many, many great guiding-friendly things can be found on Teachers Pay Teachers so I wanted to share my finding with other Guiders so that they can save time too!

Time Saver

DEAR TIME: Thanks for sharing that great resource. I'm sure other Guiders will be grateful to have a new website where they can search for ideas and ready-to-go activities!
