

Safe Guide SG.4 - Wa-thik-ane instructions

Note: Complete an SG.4 for each site you will be occupying.

- Complete the 4 boxes at the top of page 1. Include your site name.
- Attach the participant list and schedule

Page 1,2 & 3

- Insert names of your Guiders who will be performing the tasks
- Include plan for emergencies during travel.
- Highlight or specify which site you are on. You can delete the information that does not pertain to your location.

Page 4 & 5

- Insert your contact info for your Commissioner and HCP
- Insert your, or another Guider's cell phone number in the space for Facility/site. Please note that you may or may not have cell reception, depending on your carrier and where you are in the camp.

Note:

- All Buildings, sites and program areas are equipped with fire extinguishers.
- First aid kits are supplied for all common areas and on sites only when summer camp is in session – Renters must supply their own first aid kits for each of their rental sites.
- Ring buoys are permanently placed at the swimming/boating waterfront.

Discuss this plan with your co-Guiders and girls

Send this form, along with your SG.1 & 2 and SG.3 to sq.gs@guidesquebec.ca at least 2 weeks before your camp

Remember, in the case of any incident, to complete an INS.01, Incident Report, and submit it to National, with a copy to the Provincial Office.
