It has truly been an honour to represent Saskatchewan as your Provincial Commissioner for the past three years. The time did fly by and I have been provided so many great opportunities and experiences. This role has strengthened my passion for what Girl Guides of Canada will and can offer to girls in our communities. I was amazed by the Guiders in our province and across Canada in their resolve and passion for the organization. I witnessed girl engagement in its finest. I am also excited that I get to leave the role on a “high note” with a 6% increase in membership this year! WOW!

Over the past three years, I have worked alongside some wonderful women on Provincial Council, Area Councils, or as an adviser or support for our Guiders. I watched the organization prepare to engage in some critical changes to ensure that GGC remains relevant and accessible for all girls and women. I loved the positive uptake on the Girls First Platform and commend our Girls First Champions and all the Guiders for keeping the girls at the core of the program and for embracing change. As the organization continues to monitor the Girls First Program, I anticipate that girls and Guiders will continue to be active participants in developing and enhancing the program to reach its full potential.

At the Provincial Council level, we looked for possibilities for girls to be all they can be. My term started with a Council structure change which helped to delegate the roles of work of the Council. I thank those Council members that helped to make some of the roles more defined. I appreciated the collaborative nature of the council and the willingness to make changes if changes needed to be made. As a team, we ensured that girls had camping opportunities, program opportunities such as Alberta Youth Parliament, Lady B-P Weekend and Pathfinder/Ranger Conference and travel supports. We finalized the sale of Can-ta-ka-ye and made decisions on how best to use the proceeds of the sale. (Refer to more info on this in this *Prairie Lily*). We held a fun and exciting Launch Party for the Girls First Program. This event also showed how Guiders pull together even in times of adversity as we keep the safety and care of the girls at the forefront. The feedback from the event was overwhelmingly positive.

We increased funding to encourage girls to travel with Provincially Sponsored Trips and will be sending a full patrol (eight girls and two adults) to Voila (Quebec) and a half patrol (four girls and one adult) to Dawn (Newfoundland and Labrador) this summer. We also increased both scholarships amounts to \$1,000 to be more reflective of the financial needs of our members attending school.

So now for a few thank you's.

1. Brenda, Margot, Harnesh, Yvonne and Roxanne – we have exceptional staff! They provide the consistency and the support for the Provincial Council in a positive and collaborative way. Their time, skills and caring personalities ensure that all members feel welcomed and supported. Thank you for your dedication to Saskatchewan Guiding!

2. Bonnie Jean, Megan VB, Denise, Desire, Cynthia, Christa, Laurie T, Megan C, and Heather – thank you for being a part of the team. Many of us have been together for two or more years on Council and I truly value your time, passion and friendships. I will miss the great discussions and the great laughter.

3. Lisa, Amanda G, Amanda L, Joyce, Emily, Lorraine, Janice, Melissa, Michele, Beth, Dayna, Marg and Susan – thank you for taking on an adviser or support role for the members of Saskatchewan. Many of you will be continuing in your roles so continue to look for new ways to support and engage! Use your creativity. For those who are completing your terms – thank you! Your time and dedication was truly appreciated!

4. My “PC Peeps” – Leslie, Kathy, Krista, Susan, Roseanna, Beth, Lorena, Margot and Holly – WOW! What a ride! So proud to have been able to meet these amazing women from across Canada and to work alongside you all. I walk away from the PC role with a friend in every province! What more can a girl ask for?

5. Joel, Elizabeth & Rebecca – my family is my core, my rock and my safe space! Thank you for allowing me to share my time and attention with over 3,000 girls and Guiders in SK. Thank you for doing those little extras to allow me to be away on the weekends and for your understanding when faced with time constraints or being double booked!

I leave the PC role knowing that Saskatchewan Guiding is in great hands! Christa brings her positivity, exceptional leadership skills and a caring personality.

Laurie

Southern Horizon's District Commissioner, Christa Morhart's, Outgoing Message

March and April have been incredibly busy for me! At the end of March, I enjoyed spending the weekend with a great group of third year Girl Guides and their Guiders at the annual Lady B-P weekend. The girls enjoyed spending some time with their peers, as well as making new friends. We had some special guests join us and we went on an outing to the Imax theatre. Watching the girls interact and listening to them talk about their interests filled my heart with happiness. I was once again reminded why I loved Guiding so much!

Archives Excerpts...

Your Provincial Archives committee has had a busy month. On April 6, "Lady Baden Powell" and her assistant attended the Provincial Lady B-P Weekend event for Guides held at Southern Horizons Area Girl Guides. "Lady B-P" was dressed in a uniform typical of one that would have been worn during her time. She presented the history of herself and Lord B-P and the girls participated in some original games that the B-P's would have used with youth to sharpen their skills.

On our monthly workday on April 10, our committee put together a new camping display for the upper hall at Southern Horizons. As you prepare for the camping season, you might like to stop by and have a look. Displayed are items from Saskatchewan Girl Guide camping through the years including photos from some

of the major camping events held here and memorabilia from our former provincial camp at Can-ta-ka-ye. We also put out several camping uniforms as well as decorated camp hats and camp blankets.

If you or someone you know have items that should be preserved as part of the Provincial Archives collection, please reach out to our committee. You can contact Archives through the office, through the Saskatchewan Council Facebook page or you can contact me directly at bldreger@sasktel.net. We're all part of Saskatchewan Guiding history.

DID YOU KNOW?

We have an archives collection of uniforms, books and records of activities that are available for you to look at and or borrow. There is a collection of Guider Magazines from 1952 to the present.

If you have pictures or articles or memories you would like to share you may bring them to the Provincial Office. If you donate pictures please have names of the people, dates and location of the picture.

For uniforms we have a full selection of uniforms, scarves and badges that you might wish to borrow for World Thinking Day programs or Mother and Daughter Banquets.

We have put a number of items on the table at Guide Office for free. These are items that we have double or triple supply.

Please feel free to take what you like. Remember that we also have a large collection of books in the library.

Thank you for being a Guider!
Lois Morrison

PRIDE

Pride Parades in Regina and Saskatoon are happening in June and we would love to see many Sparks, Brownies, Guides, Pathfinders, Rangers, Link, Guiders, and Trefoil members, along with family, come and participate in the parades. We want to show our support for LGBTQIA2+ Guiding members and that Guiding offers safe and inclusive spaces.

Queen City Pride Parade - June 15 at noon (marshaling starting at 11 a.m.)

Saskatoon Pride Parade - June 22 at noon

If there are Pride parades and events happening in other communities, please let me know if you have any questions about how to get involved.

Queen City Pride is celebrating it's 30th anniversary, so we wanted to do something special and have some 'Guiding with Pride' T-shirts made to order. More details to come shortly (keep your eyes on facebook), but send me an email if you want to keep updated.

GIRLS FIRST

As we embark on our new program journey, Guiders are strongly advised to review two essential program components of Girls First to prepare them for success:

1. All About Girls First: explore the program structure and guidelines; learn how badging works; and understand why GGC developed a new girl program
2. Girl-Driven Approach: practical tips on how to give each girl choice, voice and action in defining what she wants to get out of her Guiding experience

To review these program components, Guiders have options! Girls First Champions can cover each of these topics informally (e.g., at a coffee shop or on a phone call) or more formally at a Girls First session. Alternatively, Guiders can access two e-modules. These online sessions are free and flexible and contain helpful handouts for reference afterwards. Both in-person and online formats offer Guiders the option of receiving iMIS credit.

If you're interested in connecting with a Champion, email us at sk-girlsfirstchampion@girlguides.ca and we'll put you in touch! Or, you can learn more about Girls First by completing the following e-modules at home:

We have had requests for Safe Guide in the Moose Jaw area, and another First Aid in Southern Horizons (possibly geared towards Pathfinders and Rangers as well as adults) – no specific dates or locations have been set for either of these yet – likely July or August for each of these. Watch for more information in next month's Prairie Lily!

Fall Trainings – we will be organizing province-wide Fall Jump Start Trainings, focusing on New Guider trainings (Guider 101), Girls First orientations and Safe Guide, as well as Stuff to help all Guiders with getting ready for another year of Guiding! More details to come out in next month's Prairie Lily – but if you

are interested, let your DC know you want this in your district! DCs – contact Lisa if you want the Travelling Training Roadshow to visit you this Fall to conduct a Jump Start Training in your District! How many Districts will we visit this year? Stay tuned!

What else will be coming this fall? How about a Provincial Arts Challenge? Yes – that’s right! This fall, SK Arts Training will be launching a new Provincial Arts Challenge. You won’t want to miss it! Details to be announced in August – but we might be convinced to release a teaser or two before then!

ARTS - Janice Graessli, Arts Adviser sk-arts@girlguides.ca

The spirit of Guiding is the seed of friendship that grows inside everyone's heart. Take a marigold seed and plant it in a flowerbed or pot. Have girls help plant flowers at a senior's home or deliver a paper flower to shut ins in your town. Flowers make most of us smile. Smiles warm the heart.

When at camp with the girls have each tent group write a short tune about camp on a recipe card using a familiar melody such as “Jingle Bells” or “Happy Birthday.” This could be shared at a sing song or Campfire. It is easy and fun to perform as a group.
