SK Council would like to share that Brenda Gartner, Provincial Senior Staff, will be retiring from her position at the end of May 2020. She is excited to spend more time with her family, especially pursuing her dream of travelling more with her husband Colin.

Brenda has played an integral role in Guiding in Saskatchewan for over 25 years. She has held multiple roles within the office as well as volunteered as a Unit Guider for 27 years working with all levels - Sparks through Rangers. Most recently Brenda has held the position of Provincial Senior Staff; a role in which she has consistently supported the Provincial Council by going above and beyond her regular duties every single day. She has consistently provided a safe space for Guiders, girls, and families in Girl Guides of Canada in Saskatchewan. Brenda has always and continues to live by the promise and law and takes her role within Guiding very seriously. Brenda's positive attitude, agility to adapt to change, and unmatched passion for the organization will be dearly missed.

We wish her all the happiness and success life has to offer her in the next chapter of her life and look forward to working with her in her volunteer role with GGC!

PC MESSAGE – Christa Morhart sk-pc@girlguides.ca

The link between leadership and membership has been on my mind recently. Members deserve to have an engaging and fun experience no matter where they choose to be involved with GGC. Saskatchewan Provincial Council has budgeted for some exciting and engaging events and activities in 2020, but we need YOU to make them happen. When making decisions at the council level we are

always considering how those decisions will encourage girls to be everything they can be. We ask ourselves how this will impact the girl and are we fulfilling the overall vision of being a catalyst for empowering girls. The thing about a vision, idea or a plan is that they all take volunteers and leaders. We have a membership full of skilled and compassionate Guiders looking for more ways to make an impact on girls in Saskatchewan. Taking on one of the rewarding roles gives you a voice and an opportunity to collaborate with the leadership team to see your ideas and plans come to fruition.

For the rest of the PC message, including information regarding upcoming events, membership roles and merchandise, [CLICK HERE](#).

BRIGHT IDEAS CREST

This crest is to encourage members to have their voices heard and provide more engaging opportunities for members across the province we have designed a new Bright Ideas crest. See your PC to earn your crest today! To earn this crest do one (or all) of the following in person or [via email](#):

- Share an idea for a girl-driven event with your PC!
- Volunteer for a new role at the Provincial level or join our new Events committee!
- Share a meeting/event idea that you have had success with that can be shared with other units. (Providing the plan in writing is a great way to do this!)

We have some exciting opportunities to be part of Provincial council:

[Girl Engagement Coordinator](#) – Opportunities to join us at the Provincial Council table and work directly with Advisers to ensure girls are engaged in their experience within Guiding

[Program Adviser](#) – Opportunities to develop new challenges (and design crests!) and collaborate with National to ensure the program content aligns with the Girls First program

[Risk & Compliance Coordinator](#) – Opportunities to join us at the Provincial Council table and ensure members are enjoying exciting activities in a safe manner

Event Committee Members – Opportunities to be part of our new events committee and plan and execute exciting events for the membership!

We also have some Districts that are still in need of a **District Commissioner** and/or a **District Treasurer**. Remember – the District roles can be shared or have deputies to support them.

Please don't hesitate to contact the Provincial Office directly at sk-provincial@girlguides.ca if you are interested in hearing more about these positions.

Our
Deepest
Condolences

CORRECTION: To Allison Elliott, member in the Black Gold District, whose *father* passed away. Our sincere apologies.

To Friends and Family of Shirley Leibel who was a long time Regina Guider and a member of Regina Trefoil Guild.

SAVE THE DATE - International Day of Pink – April 8, 2020

This event started when students David Shepherd and Travis Price saw another student, who was wearing a pink shirt, being bullied in their Central Kings Rural High School in Nova Scotia, Canada, and deciding to show support for the student by getting everyone at their school to wear pink the following day.

Consider wearing a pink shirt on this day to show your solidarity with those who feel marginalized or "bullied" and to raise awareness for inclusivity and positivity in our units, schools and work spaces.

Regina - Wednesday April 8

More details to follow in the March Prairie Lily.

We are looking for an adult or two to help at the event!

HERITAGE LAKE SERENITY CAMP

August 7th to 10th, 2020

Guiders, what is your New Year's Resolution for 2020? Have you included some "me" time? Ladies Serenity Camp for Guiders and gals at Heritage Lake could be on your agenda this year. Come enjoy the boreal forest on beach front property, with regular canoeing, swimming, hikes, campfires, yoga and drop in crafts. Challenge your skills in taking a Ukelele musical workshop (equipment incl) and learning how to play with skilled music teachers. Build inlaid glass stepping stones out of sand to decorate your home and gardens.

Try your creative mind in writing poetry with a guided writer. Build wind chimes, learn to eco dye plants and flowers, or just sit around and read a book. The time is yours. Watch for the upcoming application this Spring for details or contact [Provincial Office](#).

JANUARY CONFERENCE 2020 – To Inclusivity & Beyond! - Were you there? Was it wonderful? We are sure it was! We had **124** Guiders attending for the Conference, plus an additional **34** Pathfinders and Rangers dropping by Saturday afternoon to take part in the Girl Engagement session, and they stayed for the banquet and speeches, too! How awesome is that? We might have to make this a regular thing! Thank You to Provincial Council for making that happen, and for covering the girls' costs. Also Thank You to our special guests from National – **Krysta Coyle and Shea Wood**, as well as to our **Guest Speaker, Laura Budd**, from Pride, Moose Jaw. It was also cool to have Amanda Guthrie from OUT Saskatoon doing a presentation, as well as Tami McNevin from Adventure Smart and Tiffany, the Rock Lady, presenting her session of Kindness Rocks! And, of course, all the amazing sessions from our Saskatchewan Trainers and facilitators! You all Rock!

UPCOMING EVENTS – Many Districts are starting to put in their requests for specific Trainings – is there something you would like to see? We have another First Aid Training hosted in Regina planned for **March 22** – watch for the Registration Form to be included in the March *Prairie Lily*, or contact the [Provincial Office](#) to register! The location is "To Be Announced." More First Aid Trainings are tentatively planned for outside of Regina as well. May 8-10 Carla Punshon is hosting an OAL Adventure Camp Training - Part A. See info below.

FOR ALL NEW GUIDERS (AND THEIR DCS) – Remember that all five modules of the *New Guider Learning Path* are now MANDATORY within your first six months of becoming a Guider. All of these sessions are available online through the National website, but we also have Trainers willing to come out to do "in person" trainings directly. These modules are: Safe Guide, Building Unit Guider Skills, The Girl Program, All About Your Branch (branch specific) and Safe and Inclusive Spaces (separate from the Diversity & Inclusive modules 1 through 4). Also, please note that there have been some technical glitches with the online Safe Guide module. If you have been having trouble, please contact either [myself](#) or the [Provincial Office](#). National is aware of the glitches and promises that no Guider will be "kicked out of her unit" due to not completing Safe Guide within the correct time period if you have been having issues with the online module. However, you do need to contact us if this has happened to you so that we can make other arrangements for you. National expects that this issue will be cleared up soon, but in the meantime remember to check with us if you have problems with the online module kicking you out.

Thank You, everyone, for everything you do for the girls and Guiding!

[The Saskatchewan Council Self-Care Challenge](#) is designed to encourage participants to take the time to intentionally practice self-care. In this three-part challenge, you will reflect on your current self-care practices, choose new practices that you'd like to try, intentionally practice self-care, and complete a final reflection to earn a **FREE** crest!

Please see the attached document for more information on the crest and how to complete it. Any questions can be directed to Megan at sk-memberservices@girlguides.ca.

COOKIE ADVISER - Laura O'Hanlon sk-cookies@girlguides.ca

Lila C. from Unit 27 Regina Sparks loves selling cookies so much that she has given herself a goal to double her previous sales from the Fall Chocolatey Mint campaign! Way to go Lila! I hope you always keep this spunk and passion!

So, first things first, Cookie Ordering! Wow! That was a fun week and a half, huh?

Between myself and Cookie Mama, Kay Peters, from Bridging Rivers Area we stayed very busy. Thank you to everyone who got delivery point changes in early, and those units who had us ordering on your behalf, your efforts are much

appreciated for notifying us in such a timely manner. Thank you, again.

Now, by the time you see this, January Conference 2020 will be over. We will all be back into our regular routine after an all included holiday festivity time, and we will all be super pumped after time well spent with our Guiding sisters learning, developing and rekindling interests in many things to make this a girl driven experience at every turn.

For the rest of the exciting cookie submission, [click here!](#)

Please note: Cookie Contests are now closed and all prizes have been awarded. Congratulations to the winners!

ARTS ADVISER - Janice Graessli sk-arts@girlguides.ca

Remember, it is not what you have but what you give that brings happiness. That is why, as members of our great Movement, it is important for each one of you to try your hardest to become skillful with your hands, alert and ready in your minds, and great of heart, so that by these means you may bring friendship and happiness to

others and so gain it for yourself.

~Lady Baden-Powell

It was a wonderful weekend with Guiding friends at **January Conference**. All the laughter, smiles and great memories ... and all because I am a member of Girl Guides of Canada!

Songs that fit into **Girl's First Platform**: Campfire Leading is now under *Camping Skills and Adventure*, Music Fan, Singing and Performing Arts are under *Arts Studio*, songs from other countries or units are under *Canadian Connections* or *World Stage*, feel good songs are under *Mighty Minds* or *Spirit of Guiding*, action songs are under *Physical Self*.

Thinking Day is coming up fast. Sing **WAGGGS Thinking Day Song**. Google [Sue's Virtual Campfire Songbook](#) for easy words and tune. Entertain your guests at a tea.

I have included an [Un-Nature Scavenger Hunt or Kim's Game](#) items list. You can find some pictures on the internet or objects at the Dollar Store for this activity. At January Provincial Conference in the Promise and Law Training session I led we had a scavenger hunt in the hotel. You could also do this at a Guider's meeting or Trefoil gathering.

Oh, how I would love to go to Switzerland's World Center! This country has three languages. Do you know language is both an art and a science? [Give these a try at a meeting](#).

I have included a long version of the song [Make New Friends](#). Make up a poem, song to familiar tune or a rap about what friends mean to you.

Girl Guide Memories

My name is Marlene Sutherland. I come from a family that was very involved with Girl Guides. My sisters and I were in Brownies, Girl Guides, Pathfinders and Rangers. My mom was also a Guider for about 20 years. The memories I have of the camps, special outings, badges, oh, the endless memories – it was truly the best time of my life! I think about it very often but today, this particular day really hit hard and my emotions went wild and I started crying like a baby.

I was on Facebook and came across a fundraiser that the **Yorkton Girl Guides** are holding to go to **Our Cabana**. In my last year in Rangers I applied to go to two different camps, Guelph and Our Cabana. I was chosen for Guelph and chosen as an alternate for Our Cabana. I gladly accepted the open spot for Guelph, but about two months later I received a letter that there was an open spot for me to go to Our Cabana. It was one of the happiest days of my life reading that letter.

The trip was an experience of a lifetime! The memories and friendships that were made from other Girl Scouts from all over the world was absolutely amazing. And I have the Girl Guide Association to thank for all of it. I then, of course, after seeing this post had to google Our Cabana and the pictures sure brought back a lot of memories.

I have so many stories from that trip that I will cherish forever! I hope the girls going have the same experience I had as it was a total life changing experience. I just wanted to share. And, thank you for everything you do for all of these girls!
