PC MESSAGE Christa Morhart sk-pc@girlguides.ca

What an eventful first few months I've had as PC!

Our Provincial Council and Advisers kicked off the Guiding year with a very productive weekend of meetings (and a little fun). We have some really committed and enthusiastic members who are excited to plan and execute some fun and engaging activities in 2020, so watch for more details!

Change... and growth... two big words that come with lots of emotions. Girl Guides of Canada has experienced an unprecedented amount of change over the past few years.

Change can be uncomfortable, but it is also very rewarding. We've all seen how positive the launch of the new Girls First program has been, providing lots of opportunities for girls to take the lead in their experiences. In 2020-2021, GGC is planning to onboard all of the provinces onto Unified Banking. This is very exciting and welcome news! I know Guiders are curious what Unified Banking will mean to you, so below are just a few highlights of what you can expect:

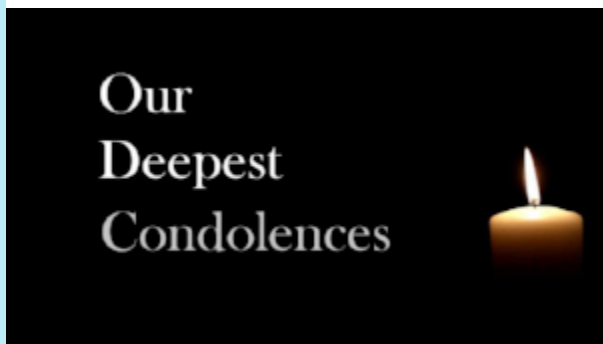

- P-cards for Unit Guiders (Quicker access to funds, less prohibitive for units purchasing supplies means better and more consistent experiences for the youth members!).
- LESS work for Guiders, Treasurers, and District Commissioners (which means more time to spend with the youth members!).
- Computerized, will eliminate a lot of paper (more environmentally friendly!).
- Ability to do Unit to Unit and Unit to District transfers (Yay, less work!).

- Less risk to the organization as a whole.
- One budget model for the organization (excluding units).
- Cost savings on audits, as only one audit for the organization will be required.

Saskatchewan Council is also looking at ways to remove the barriers for members so we can provide more opportunities for our members to travel, camp, and enjoy bridging events at the provincial level. We are also working with National to provide some new and unique opportunities for our members, more details to follow!

Please reach out if you have any ideas or if you're looking for an opportunity within Guiding – we have lots of Units looking for Guiders and still have opportunities at the District, Area, and Provincial level as well! Looking forward to a very exciting 2019-2020 as we fully implement the Girls First program and continue moving ahead with GGC's vision of a better world by girls. Thank-you for investing your valuable time in training, planning, and mentoring – and all you do for Guiding in Saskatchewan; you are appreciated!

CAMPING

DAWN 2019

Submitted by Jessica Steadman

The summer of 2019 brought some fun and adventure to a small group of Girl Guides from Saskatchewan. Applying and being selected to participate in the Provincially Funded trip to Newfoundland was the first step – then the fun began!

Four Pathfinder-aged girls and their Guider traveled across Canada by plane from Saskatoon to Deer Lake, Newfoundland to attend DAWN 2019 which ran from July 29 to August 4, 2019.

DAWN is an Inter-provincial Camp which brought over 340 Guides, Pathfinders, Rangers and Guiders from across Canada. DAWN stands for Discover. Adventure. Wonder. Nature. It was held in the beautiful Gros Morne National Park on the west coast of Newfoundland. It is a true basic camping experience, with campers sleeping in tents and preparing our meals with our patrol.

To hear all about their adventures and to see more pictures, [click here](#).

COOKIE ADVISER - Laura O'Hanlon sk-cookies@girlguides.ca

THE COUNTDOWN IS ON!

Only a few short days until my favourite time of year; you guessed it... COOKIE DAYS! And three times the fun this year?!? WOW! I hope you and your units are geared up with fun and exciting cookie stands, or other accessories to highlight Girl Guides in your communities. Please send those pictures to sk-provincial@girlguides.ca .

I recently attended the Strategic Planning meetings in Saskatoon and I got a lot of "fan-tabulous" ideas I wanted to share with all of you.

10 Ways to Move More Cookies:

1. Have a plan in place before the day of your event: Safe Guide forms, commitment from girls, and a back up location. Or, better still, piggy back a home base and a door-to-door sales in one! Be prepared for the potential of rain if going door-to-door.
2. Contact some local businesses and see if you can set up a pop-up booth on their Customer Appreciation Day, or other busy days.
3. Do a major city blitz with each unit taking a different neighbourhood, or for smaller towns a different street and cover the most ground.
4. Encourage Pathfinders and Rangers to be buddies with younger girls and newbies and show them the ropes of a great sales pitch.
5. Rehearse a great sales pitch at your meetings before cookies even arrive in their hands! LOL

6. Post a Group Sales on Social Media promoting your event. Although we ask families to keep it off Garage sale pages, a blitz for the city is the best way to plug a big event to the most audience!
7. Have a cookie song on hand to sing to the customers if you find your Sparks or Brownies getting bored. Oh, who am I kidding, the Guides/Pathfinders/Rangers can also get in on that lively action.
8. Attend January Conference in Regina, (January 2020), and come to see my resources and maybe learn how to build a Cookie Booth of your very own!
9. Know what you are selling when customers ask. Our cookies are Peanut free, however. they are not Dairy or Gluten free, not Vegan and not Sugar free.
10. Attend a major sporting event in your local area and watch them fly off the table. (Make sure you have enough supervision for the young girls giving change.)

Bonus: Have you mentioned to people travelling to Regina or Saskatoon that they can also pick up cookies year round at the Guide Offices? A case of 12 is only \$60! Plus, they freeze great!

Well, I will wait for the pictures to come flooding in! Good Luck everyone with our most successful sales year yet! Stay Safe and Have Fun!

Yours in Cookie Love,
 Laura O'Hanlon, Provincial Cookie Adviser for Saskatchewan

P.S. Thank you to Denise Waldner and her 1st Rosetown Guiding Unit for sharing the photo. The girls are Taylor W. and Denay S.

I hope this adds to your inspiration.

(I'll hopefully have the "how to" in our next issue so you can also make your own hula hoop sandwich-cookie sandwich boards, LOL for Spring, 2020)

INTRODUCING MEMBERS OF PROVINCIAL COUNCIL

YOUTH ADVISER - Sarah Balog

Hello! My name is Sarah Balog and I am the Saskatchewan Council Member – Youth, and I co-ordinate the Saskatchewan Youth Forum.

I am so excited to have this opportunity to work with the youth of Saskatchewan and to have their voice heard at the various levels of Guiding. Our youth have some fabulous ideas as well as a host of skills that we have yet to tap into and utilize to continue to make Guiding GREAT!

I am a Pathfinder/Ranger Guider in Sun Ridge District in Regina, and I work as a Director of Childcare with the YMCA, so you can see that youth of all ages are my passion!

I live in Southey with my husband Mike and our dog, Angel. In my spare time, I love all things outdoors (camping, hiking, quadding, hunting), as well as cooking, baking, reading and crocheting.

I look forward to getting to know many more of you throughout my time in this position!

Bridging Rivers Area Commissioner - Jennifer Christian

My name is Jennifer Christian, the new Bridging Rivers Area Commissioner. I started Guiding as a Brownie in Whitewood, SK in 1988. I have been an adult Guider since 2002. I have belonged in the Saskatoon Area, now BRAGG since then. My first unit was the 48th Guide Unit in Aurora District. Having guided with every branch over the years since then I am now currently in Daylights District in Saskatoon. I have held positions on camp committees and as a District Commissioner. My other current Guiding passion is Training. I became an official Trainer at January Conference last year.

When I am not Guiding I spend my day job working for Sask Abilities and Camp Easter Seal. I love to spend time with my spouse, Garret, and have naps in my hammock in my backyard whenever possible.

Southern Horizons Area Commissioner - Yvonne Harrison

As the new Southern Horizons Area Commissioner, I would like to introduce myself to the Guiders and families in our Area.

I have been an active member of Girl Guides for 25 years serving in our North by Northwest District in Regina. I am a Spark and Ranger Unit Guider. I completed a term as a District Commissioner for NxNW. I am finishing my term as a Girls First Champion and looking forward to my term as a Girls First Ambassador to start.

I have been able to go on two international trips with our Ranger unit and visit two of our World Centre's – Pax Lodge in London, England and Our Chalet in Adelboden, Switzerland. I have stayed in Guiding as I believe in lifelong learning – I learn new skills through training and experiences and I learn from the girls (as leaders in the units and their skills they share). Above all, I love the laughter and smiles across all my Guiding experiences.

I work full time and volunteer for other organizations in Regina (for any Roughrider Fans, you will find me at all the games). I have been married for almost 36 years and have two children, a daughter fulfilling her dream of living in BC and a son in high school. I have a large extended family, enjoy golfing, downhill skiing and hanging out with them. I embraced learning how to ski when I was 46 years old with my then teenage daughter - we are always learning and growing!

I am looking forward to meeting many you through my term and look forward to hearing from you. Please share your stories and pictures of what keeps you Guiding in Saskatchewan through the years.

Yvonne Harrison

Deputy Provincial Commissioner - Cynthia Mamer

Hello fellow Guiders!

Hello sister Guiders! My name is Cynthia Mamer and I am very honoured to have been selected to be one of the two Deputy Provincial Commissioners for Saskatchewan! I am a unit Guider in the Evergreen District and live in Prince Albert with my husband, Dean; my 16 year old daughter, Kaitlyn; and my soon to be 13 year old son, Dustin. Almost eight years ago, like many of you, I started in Guiding when my daughter was in Brownies. I had been a volunteer parent helper at camps for two years alongside my best friend, Carrie Hazelwood. I must admit, I think I volunteered as a parent more for the fun I was having, than for my daughter's experience! Ultimately, in the fall of 2012 my daughter's Guide unit needed Guiders, so Carrie and myself stepped up to the plate and never looked back! I continue to enjoy leading the Guide branch level, long after my daughter's nine years in Guiding ended. I am always inspired and amazed with our girls, their characters, their imagination and their personal growth in the three years they spend in our unit. I am so glad and privileged to take part in our youth's Guiding experience!

In my years in Guiding, I've been a unit Guider, unit treasurer, unit cookie queen, District secretary, Deputy District Commissioner (for a little while), Provincial merchandise approver and Provincial Council member. I have attended several January Conferences and provincial camps where I've met and created lifelong friendships with Guiders like you! So many Guiders have inspired me through challenges, songs, experiences or even a crazy game of spoons!

But what inspires me the most are the girls and the values GGC holds. It wasn't until I joined the Provincial Council that I realized all of the incredible goals there are to celebrate girls and women through empowerment, diversity and support systems. I wanted to be part of that and to be part of supporting Saskatchewan Guiders to be the best that we can be! We are at a crossroads of innovation and development as an organization and I am very excited to participate and to serve this province!

Here is a quote that I recently read that reminds me of my Guiding family: "The people we surround ourselves with either raise or lower our standards. They either help us to become the best version of ourselves or encourage us to become lesser versions of ourselves. We become like our friends...No woman becomes great on her own. The people around them help to make them great. We all need people in our lives who raise our standards, remind us of our essential purpose and challenge us to become the best version of ourselves."
