

Gathering Activity: Use the coloring page to keep the girls busy until everyone arrives. Then they can take it home to finish.

Opening

Game : Explain to the girls what the Spark Promise is.

I promise to share and be a friend.

Print off the game pages that are here. Cut out the pictures and glue them to small piece of construction paper or cardstock. Have the girls stand in a circle. Number the girls off 1,2,3 and repeat. Place the cards upside down in the middle. Then call a number. If 1 is called the 1's run around the circle back to their spot and run into the middle and pick a card. After they have their card they will share it with the group and tell how they could share the item. Then start again and call a new number.

Craft:

Make New Friends pin

Take a piece of gold and a piece of silver pipe cleaner. Form them into circles and link them together. Then have a leader use a glue gun and glue a pin back on. You will then sing the song Make new Friends.

Song: Make new Friends but keep the old. One is Silver and the other gold.
Circle's round it has no end that's how long I'm going to be your friend.
