

Gathering Activity: Invent something using straws fun foam shapes and sticky tape. Place these items out and have the girls get creative while you wait for everyone.

Opening:

Activity 1:

Talk about creativity and imagination and how important it is.

Activity 2:

Act out different animals have the others in the group guess what you are. Have all the girls take a turn acting.

Play Dough Animals

Bring in some play dough and have the girls use the sculpting skills to make an animal of their choosing. Maybe it is an animal from their imaginations.

Make a drum

You will need plastic containers, stickers, foam stickers and markers. Have the girls decorate their drums and talk about how music can help your imagination and creativity.

Making Rhythms

Play a rhythm on your drum and have the girls repeat it back on their drum. Then have each girl make a rhythm and everyone repeat back. Every girl should have the chance to be a star.

"Statue" Game

Play music and let them free-dance and run around. When the music stops, yell "Statue!" and the kids must freeze in place until the music starts again. You can also have children pretend to be animals by imitating the walk and sounds of the animal you call out. Try monkeys, elephants, dinosaurs and snakes to challenge their imaginations.
