Frequently Asked Questions

- 1. Can I apply for more than one scholarship?** While Members can apply for more than one GGC scholarship (e.g. Dr. Roberta Bondar Scholarship, Col. Karen Ritchie Scholarship, etc.), they will only be awarded one type of scholarship. In addition, while former recipients will not be awarded a subsequent scholarship, unsuccessful applicants are encouraged to re-apply.
- 2. Can I use one application form to apply for more than one scholarship?**
No. Each scholarship has its own specific application form.
- 3. What is a high school/college/university transcript ? How do I obtain one?**
A transcript is a record of all the classes that you have taken at a particular school and the grades you received. You can obtain your transcript by either contacting your current school's guidance or registrar's office. Don't leave this until the last minute – it can often take a few weeks to receive your transcript from your school.
- 4. If I apply for more than one scholarship, can I use one transcript?**
Yes, but you will need to photocopy the original transcript and attach it to each scholarship application form.
