

# CRAFTY TUESDAYS

## CRAFT TITLE

Submitted by Guider Lisa, 140th Calgary Sparks

## MATERIALS:

- paper cups
- string
- Aluminum foil
- markers
- pencil

## INSTRUCTIONS:

**1.** Use a pencil to poke a small hole in the bottom of each cup  
(best done by a Leader!).

**2.** Run a piece of string (about 40cm long) through the hole you made. Tie a knot inside the cup.

**3.** Fold a large square of aluminum foil around the end of the string and crumble it into a ball. (Make sure the ball fits inside the cup!)

**4.** Decorate the outside of the cup as you wish (and sign your name).

Time to play the game -- try to flip the ball into the cup!

**Note:** This is a great craft to do at camp. The girls will spend a while trying to master the trick (it's not easy!).
