

Cookie Finder Map Tip Sheet

To find a cookie selling event:

1. Visit the [Cookie Finder Map](#) page.
2. Type one of the following: City/Postal Code/Address and then press search.
3. A map of your area will appear and the icons will show you the selling events taking place at the nearest locations in your area.
4. Click on any icon on the map for details of that selling event.

To add your unit's selling location:

1. Begin by visiting the [Cookie Sales Event Form](#).
2. Enter your unit's iMIS number in the space provided.
3. Your unit name will appear; click "Add New event".
Please note: If you see your selling location already listed under your unit's name, click on the Event Name. This will auto-populate the location details onto the next page of the form.
 - a. A Cookie sales event form will appear; complete this form with your selling event information. Once you have completed the form, press "Save event" and your event will be saved onto the Cookie Finder Map.
 - b. It may take two business days for your event to appear on the map, so submit your event well in advance.

Please note that any cancellation or changes to Cookie Finder Map listings must be requested through ckhelp@girlguides.ca.
