

My Aunt Grete (Netherlands)

Jubilee Song Book, page 43

My aunt Grete, veeda veeda vete, has a puss, veeda veeda vuss,
And that puss, veeda veeda vuss, has a tail,
And that tail, veeda veeda vail, has a curl, veeda veeda vurl,
And that curl, veeda veeda vurl, has a tip.

Comma.

And that tip, veeda veeda vip, has a curl, veeda veeda vurl,
And that curl, veeda veeda vurl, has a tail,
And that tail, veeda veeda vail, has a puss, veeda veeda vuss,
And that puss, veeda veeda vuss, has my aunt.

Actions:

These should be made with sweeping rhythmic movements fitting the words.
i.e. describe in the air a large lady; a smaller cat with whiskers; a long sweeping tail, and
a curl. At "tip", dot the air, and draw a large comma. Repeat the same gestures in
reverse, slowing down at the last phrase.
