## A Big Year Ahead!

## #GetYourRedOn

Come get your **red** on at Symposium and continue the celebrations all year long with your unit!

Some ideas:

- Parks Canada sites are free for the year. Go check one out or camp there with your unit!
- Keep an eye out for themed programming from National.
- Go on an outing around Montreal or all the way to Ottawa!

For Pathfinders, Rangers and Guiders:

Have you heard of [Canada 150 & Me](#)? It's a unique multi-destination youth event and series of regional forums for young people between the ages of 14 and 19, to be held across Canada over a three-month period culminating in Ottawa the week before Canada Day. Applying involves answering the question: "What is Canada's greatest challenge or opportunity facing your generation?" Why not make answering that a part of your programming this year?

They're also looking for adults to judge the applications

*Here we are, on the eve of our best-attended Symposium event ever! This will be my third and last time at the helm (or was that the cockpit?) of this event and it reminds me why 3 years is a good length for a term such as the Provincial Commissioner gig. Over the three years, you can learn so much, you can really focus on bringing your best energy to the role, and you are done before you run out of steam!*

*The only way that the PC role can be effective is with the support of so many Guiders, in big impact roles, and in small enthusiastic supporting places – and that support, that passion for Guiding, and for making an impact on girls, on each other, and on our communities, makes the flow where all of our energy comes together and moves forward.*

*Thank you for all your energies! We will SO have a great day Saturday, thanks to the labours of so many people, each in their own specialty. This event comes together with input and comments of attendees past – and this Symposium will be followed by a survey to all participants, to help the team who will build the next event make that one greater and better still.*

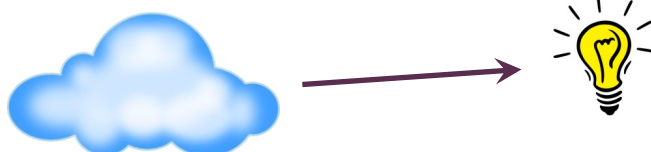

**A Learning Evening! An invitation to Council members, Commissioners....  
and anyone who likes this kind of stuff !...or even if you don't!!**

**BIG Picture 101** - What with so many recent changes in structure and connectivity nation-wide, who really knows what there is to know about Girl Guides of Canada and how its Big Picture works?! Holding the title of second-best informed member in the province on such matters, **Valerie Z** will be holding a training evening Thursday February 2 at the Provincial Office.

We'll be taking a closer look at that Big Picture, how things work, how information and ideas travel in GGC, how we are managed, governed and led, and how the Girl remains at the root of everything we do!

If your future holds dreams of great things for GGC, come see how to make dreams become reality. RSVP to [planning.impact@guidesquebec.ca](mailto:planning.impact@guidesquebec.ca) by January 30.

## Nova Scotia's Camp Challenge

Need a Guiding resolution for the New Year? Set a goal to complete Nova Scotia's Camp Challenge.

Start 2017 by challenging your girls at camp. Make some ice cream outside, try predicting the weather the week leading up to camp, sleep under the stars, and watch the sun rise.

This is the perfect opportunity for girls to help design their camping experiences. With so many options to choose from, your girls will find something they love, or something they've always wanted to do.

From the RBC website:

"Instead of looking back, we're looking forward, to the people who will shape Canada's future. We believe in the potential of young Canadians and want to empower them to act on their passions, hopes and ambitions – for themselves, for their communities and for Canada."

## Training News

### PED Week 2016 Follow-Up

During the week of November 14<sup>th</sup>, the province, with help from some keen districts, held another successful round of personal development trainings that we lovingly call PED week. **Four sessions** which included: Leading Active Games, Games & Crafts with a Purpose, A Camping we will Go, and Girl Engagement were held in various locals. **56 Guiders** took advantage of these opportunities that were put together by **11 different trainers**. We asked trainers from each session to take a photo of the fun and if the smiling faces are any indication there were happy Guiders across the board. Next year one of these Guiders should be you! A big thank you to everyone who came out to participate and to all of the dedicated trainers for putting this together!

Now that we are in a new year, it is time to close up the books for 2016 and have them reviewed. This should not be too time consuming if the books have been kept up to date all year.

Make sure you include all supporting documents with your financial books when you give them to your District Treasurer (Units and Trefoil Guilds) or the Provincial Office (Districts) for review. This is the biggest cause for delays in returning the books, especially as we review the District books.

The deadline for submitting your books for review is January 31. This applies to both Unit and District books.

Remember that you must use independent reviewers (no signing officers, relations or business connections) for the Unit books. Usually this can be done at a book review gathering of all the Unit Treasurers in the District.

Be sure to use the available documents on the GGC Quebec website under Quebec Forms at: [www.guidesquebec.ca](http://www.guidesquebec.ca). There are many guidelines and forms which may answer your questions.

This year, we will have the District Treasurers review each other's books in a similar format as we have in past. We will meet at the same time as the DCs in February, so you can carpool. Those who attend will be able to take their books home with them. Hope to see you all then!

### *In with the new year:*

The Treasurer's Calendar is on the [website](#) with the forms, under "For Treasurers".

The 2017 Financial Package is currently available on the [website](#).

There is are always possibilities for financial trainings, so please don't hesitate if you'd like one organized.
