

Activity	Description	Program																								
Opening																										
Design	Have everyone design a new pathfinder uniform. When everyone is done take turns presenting your ideas and explain your fashion choices. Keep in mind what activities you are doing while in your uniform. Then have a discussion on what elements of different designs people liked.	#5																								
Game	<p>Pictionary You'll need: paper and markers or whiteboards and dry erase markers. It is fun when you can use an easel so everyone on both teams can see. Have a game of Pictionary using these fashion words as well as any others you would like to add. Split the girls into teams and have one person from each team draw at a time. If the team drawing does not guess in time the other team has a chance to guess and steal the point.</p> <table border="1" data-bbox="354 800 1190 1094"> <tbody> <tr> <td>Nail polish</td> <td>Hair dryer</td> <td>High heels</td> </tr> <tr> <td>Fashion show</td> <td>magazine</td> <td>jewellery</td> </tr> <tr> <td>underwear</td> <td>sunscreen</td> <td>eyeshadow</td> </tr> <tr> <td>dress</td> <td>eyebrows</td> <td>pedicure</td> </tr> <tr> <td>shampoo</td> <td>boots</td> <td>mirror</td> </tr> <tr> <td>photograph</td> <td>model</td> <td>sweater</td> </tr> <tr> <td>Hair cut</td> <td>Curling iron</td> <td>blush</td> </tr> <tr> <td>jeans</td> <td>hairspray</td> <td>runway</td> </tr> </tbody> </table>	Nail polish	Hair dryer	High heels	Fashion show	magazine	jewellery	underwear	sunscreen	eyeshadow	dress	eyebrows	pedicure	shampoo	boots	mirror	photograph	model	sweater	Hair cut	Curling iron	blush	jeans	hairspray	runway

underwear	sunscreen	eyeshadow																								
dress	eyebrows	pedicure																								
shampoo	boots	mirror																								
photograph	model	sweater																								
Hair cut	Curling iron	blush																								
jeans	hairspray	runway																								
Nails	<p>Tye Dye Nails You will need a small disposable dish for water, nail polish in several colors, toothpicks, nail polish remover and q-tips.</p> <p>Fill the container with water and then drip in some nail polish. Then take a toothpick and swirl around the nail polish. Then take your finger and dip it in the water. Remove your finger and proceed to use the nail polish remover and q-tips to clean up your finger so there is only nail polish on your nail.</p> <p>This is a great chance to talk about nail care.</p>	#6																								
Computer	<p>Bring some laptops if possible or if you meet in a school use a computer lab.</p> <p>Talk about hair care and hair styles. Have the girls look hairstyles that were popular in decades past. Compare the changes that have taken place. Then look up hairstyles that the girls would like to have today. Talk about the pros and cons of their choices.</p>	#1
