

Time	Activity	Program																		
Opening	Horseshoe																			
Activity	<p>Pig Pen Cipher You'll need: paper, pencil, pig pen code template</p> <div style="display: flex; justify-content: space-around; align-items: center;"> <table border="1" style="border-collapse: collapse; text-align: center;"> <tr><td>AB</td><td>CD</td><td>EF</td></tr> <tr><td>GH</td><td>IJ</td><td>KL</td></tr> <tr><td>MN</td><td>OP</td><td>QR</td></tr> </table> <table style="text-align: center;"> <tr><td></td><td>ST</td><td></td></tr> <tr><td>UV</td><td>X</td><td>WX</td></tr> <tr><td></td><td>YZ</td><td></td></tr> </table> </div> <p>Draw two grids – one like a tic-tac-toe board, and one X. Fill in your letters as shown. Each letter is represented by the lines around it, and the second letter in each space also gets a dot. For example, “A” looks like a backwards L, and B looks the same but with a dot added.</p> <div style="text-align: center;"> </div> <p>Example: Answer: Listen to the wind</p> <p>Why is it called the ‘pig pen’ cipher? Rumour has it the cipher is so named because many of the shapes in the cipher text look like ‘pig pens’ with lines representing the sides of the pen and dots representing pigs.</p> <p>Have the girls each write a message to another guide and then trade and figure out another girl’s message.</p>	AB	CD	EF	GH	IJ	KL	MN	OP	QR		ST		UV	X	WX		YZ		<p>Discovering You- Discover what’s Important to you #5</p>

Craft	<p>Morse Code Pin You'll need: wire, small seed beads in 2 colours, long bead, small safety pins, morse code template</p> <p>Give each girl a piece of wire and have them place beads on the wire in the dots and dashes of their name. In between each letter use the other colour seed bead that you are using for the dots.</p> <p>After all the beads are on to spell their first name you can fold up the wire and cut off the excess. Attach to your camp hat.</p>																			

		
<p>Game</p>	<p>Detective</p> <p>Send one person out of the room...this is the detective. Now have the rest of the group sit in a circle so everybody can see everybody else.</p> <p>Now you will pick one girl to be the leader. She will start an action that all other girls will begin to copy. The detective will now return to the room. At any given time the leader will change the action and the group will follow. During these changes the detective will try to guess who the leader is by using her spy powers. She will have three guesses. The round is over when the detective successfully finds the leader or is out of guesses. Then pick a new detective and leader and start another round!</p>	
<p>Activity</p>	<p>Lift Your Fingerprints</p> <p>You'll need: a small mirror, baby powder, clear tape, black paper</p> <p>First have the girls rub their finger along their nose to get it oily, this will make a better print. Then place their finger on the mirror, this will leave a print. Then sprinkle with some powder and then tap off the excess powder. Take a piece of tape and carefully place it over the fingerprint and gently rub the tape onto the print. Carefully lift the tape off and place it on the black paper. You have successfully lifted a print! Have the girls compare their prints to see how different each one is.</p>	<p>Body Works #6</p>
<p>Activity</p>	<p>Invisible Ink</p> <p>You'll need: paper, q-tips, lemon juice and a lamp</p> <p>Use the lemon juice and q-tips to write a secret message on the paper. Once the lemon juice is dry hold the paper over a warm light bulb and the message will be able to be seen!</p>	<p>Chemistry #3</p>

<p>Game</p>	<p>I See You Peeking</p> <p>Have the girls all stand in a circle, tell them all to close their eyes and that the game has begun. Explain that the point of the game is to open up your eyes and catch someone else peeking with =out getting caught peeking yourself.</p> <p>So if you open up your eyes and see another person peeking you say” I SEE YOU PEEKING(name of person).” If two people see each other at the same time the first person to say the phrase correctly including the name of the person wins.</p> <p>Once you have been caught peeking you sit down in the circle so it is obvious you have been eliminated. Once there is only one person left or it starts to move to slowly you can play another round if you like.</p>	
<p>Song</p>	<p>A spy should be able to concentrate on more than one thing at a time. Give this song challenge a try.</p> <p>It's Not Hard</p> <p>It's not hard I tell you so, Just sing along and go like so!</p> <p>Actions:</p> <p>1st verse: slap hands on thighs, eight slaps to each line 2nd verse: slap hands on thighs, clap hands; 4 actions to each line 3rd verse: slap hands on thighs, clap hands, snap fingers; repeat, end by slapping hands on thighs again. This action is repeated once for each line 4th verse: slap hands on thighs, cross arms to slap hands on opposite thighs, slap hands on thighs, clap hands, snap fingers, clap hands, slap thighs. This action is repeated once for each line.</p> <p>The secret to the actions is whenever you get lost, remember to always hit your knees at the word "just"!</p> <p><i>Repeat the song a number of times, getting faster. You can also try doing just the actions and no words!</i></p> <p>From: http://dragon.sleepdeprived.ca/songbook/songbook_index.htm</p>
