

Look At Us Now! We Are 100! Guiding Book

From the earliest days of Girl Guides, when our girls wore long, heavy skirts and camped on straw paillasses to today's girls, wearing t-shirts and shorts with self-inflating mattresses. this book chronicles the history of Girl Guides of Canada in British Columbia and how we came to be 100 years strong.

We still have the Look at Us Now! We Are 100! Guiding Books left. They are \$10.00 with no tax or shipping costs. Call Tammy at 604-714-6636 Ext.123 or email info@bc-girlguides.org if you are interested.
