## Design Our Crest Competition

Calgary Area needs a new Area crest! We would like to invite all girl members of our area to enter the 'Design Our Event Crest' Competition.

All you have to do is use your imagination and draw your design on one or both of the templates below.

You may use up to NINE colours! Show us what Guiding in Calgary means to you!

Make sure to include a Trefoil and "Calgary Area" in your design.

Your design entries must be uploaded by November 30, 2022
