

Brownie Enrollment Ceremony - Drive Thru

The Brownies themselves developed this theme

"Drive Thru"

The girls who were being enrolled as Brownies "pulled up to the drive thru window" with a 2nd year Brownie.

A leader is sitting inside a fridge box, which was decorated as a tree. A drive thru type window was cut out of the "tree"

When asked what they would like, the Brownie to-be would say she would like to become a Brownie.

The payment would be her reciting the Brownie Promise.

A leader pinned on her enrollment pin as the receipt.

The parents were seated up on the little stage in full view of the drive-thru window. There were enough seats for all family members.

The invite was through the monthly newsletter and the parents were notified at least a month in advance as to when enrollment was and what to expect.

We had treats and juice to celebrate afterwards
