

## Camping Picture Frames

- Cut a piece of Black fun foam approx 5" x 7" & cut an oval approx. 4" x 6" in the middle
- Glue about 6 - 7 pairs of glow in the dark wiggly eyes around the frame
- Place a sticker of a camp fire in the bottom right hand corner of the frame
- You can even add your name or unit # across the top of the frame
- Take a group picture while at camp and glue it to the back of the fun foam frame
- Attach a piece of flat magnet onto the back and display on your fridge at home
