

Girl Guide Cookie Flowers

Buy a box or 2 of chocolate & vanilla cookies from your unit.

Carefully slide 2 spearmint jelly candies onto a meat skewer as leaves.

Then gently place just enough of the sharp end into the middle(icing) of the cookie.

Your cookie & leaves should be fairly close to one another.

Wrap your flower in a clear piece of either saran wrap or cellophane.

Add a touch of ribbon for decoration and distribute.
