

## Camp Hat Craft Name Tags

Hi there, I'm a Guider in BC, just browsing your site and thought I'd share one of our tried and true nametag crafts for camp...

I design four shapes that tie in with our camp theme; each is unique in colour and made from fun foam.

They have the girl's name, but also work to divide the girls into their groups for the camp for chores, skits and activities.

We also write the girl's "number off" number on the back for their quick reference.

These are nice enough to keep as a hat craft and reminder of the camp.

## Native theme at Camp Capilano in North Vancouver

1. Dark Blue... Nootka Raven
2. Red... Haida Thunderbird
3. Green... Salish Frog
4. Pink...Stolo Salmon

## Halloween themed Camp

1. Dark Purple... BATPAK (bat shaped)
2. Orange... CATPAK (shaped as a cat head)
3. Green... HATPAK (shaped as a witches hat)
4. Red... BRATPAK (shaped like a pitchfork)

The girls love these...

Thanks,
