

Guiding Lights across ANY Council Challenge Crest

Please note that the free crest opportunity **closed** on March 31, 2024; however there are a limited amount left and units are still welcome to purchase the crest on the ANY Council Crest Order Form.

Girl Guide members across ANY Council (Alberta, Northwest Territories, and Yukon) are invited to participate in an easy challenge created by the ANY PR Committee to earn the Committee's new crest.

The crest celebrates Guiding Lights Across ANY Council and features 5 landmarks that are commonly lit up blue for Thinking Day (do you recognize them? Answers at the bottom!).

To earn the crest, your unit should:

- 1) Celebrate Thinking Day and find a way to "light it up blue", such as visiting a local landmark that is lit up blue or by creating your own craft/activity.
- 2) Reflect on the question "What makes your Guiding Light shine?"

The 5 landmark structures are:

- 1) Sundial in Grande Prairie
- 2) High Level Bridge in Edmonton
- 3) Lighthouse in Sylvan Lake
- 4) Calgary Tower in Calgary
- 5) Saamis Tepee in Medicine Hat

Fun fact: the base crest was designed by an ANY Youth Forum member!
