### New Guiders

We're writing to ensure you have everything you need to complete the New Guider Learning Path. As you may know, the New Guider Learning Path is a series of five courses that prepares Guiders to lead their units. All Guiders are required to complete these five courses within their first six months of joining a unit. You can complete the courses in a way that works best for you. Choose the method that suits your schedule and preference – online, webinars, or a combination.

Online: Complete the courses at your own pace when it's convenient for you. All the e-courses are available on Member Zone under Training – New Guider Learning Path.

Webinars: check the Alberta Council calendar and website for dates and to register.

### Webinar & Telephone Training

The Alberta Council Training Committee offers trainings by conference call or by webinar from the comfort of your home at no cost to you. Contact [any-training@girlguides.ca](mailto:any-training@girlguides.ca) or [any-webinar@girlguides.ca](mailto:any-webinar@girlguides.ca) if you have questions or you need to cancel out of a Webinar training.
