

There are several campsites that are owned, leased or operated by Girl Guides of Canada. The following is a brief description of some of the Guiding campsites located around Alberta, Yukon, and Northwest Territories. Using these sites means that you are reasonably sure that they are clean and well maintained.

Scouts Canada camps, provincial parks, national parks, municipal campgrounds and private campgrounds are also good places to camp. Contact your Area Camping Adviser to find out about campsites near you and others she may know about.
