New Guiders

We're writing to ensure you have everything you need to complete the New Guider Learning Path. As you may know, the New Guider Learning Path is a series of five courses that prepares Guiders to lead their units. All Guiders are required to complete these five courses within their first six months of joining a unit. You can complete the courses in a way that works best for you. Choose the method that suits your schedule and preference – online, webinars, or a combination.

Online: Complete the courses at your own pace when it's convenient for you. All the e-courses are available on Member Zone under Training – New Guider Learning Path.

Webinars: check the Alberta Council calendar and website for dates and to register.

Vision 2021 - Our service project is to donate used eyeglasses. When you donate your eyeglasses please email the number of glasses you donated to Margaret at m.utgoff@shaw.ca by March 5 for the announcement of the total number at the campfire on March 13.
