

There is a new initiative to help with membership growth in Alberta Council called the **CPR team (Connecting People and Resources - Breathing New Life into Guiding)** and we need your help!

We are looking for women who are passionate about Guiding and want to help grow Guiding in Alberta Council. We are looking for women who have enthusiasm to run events, help with PR for the events, help with adult and girl recruitment and help with logistics.

The team will have a team leader and up to 9 other adults to help with various projects around Alberta Council.

If you would like more information about this initiative or if you would like to apply to be part of the team, please contact Bev Burton, the Provincial Membership Adviser at [any-membership@girlguides.ca](mailto:any-membership@girlguides.ca).

**Please apply by November 1st** if you are interested so that this team can get up and running right away!

Thanks for considering this important initiative.

Bev Burton  
Provincial Membership Adviser  
Girl Guides of Canada, Alberta Council
