

Provincial International Committee December 2018

The following cotton flags, while hand-made and beautiful, are wearing out and are not suitable for outdoor use. We are therefore in the process of replacing them with standard nylon flags. If an individual, unit, District or Area is interested in donating funds to replace one of these flags please send along your donation to the Provincial International Committee and we will purchase the flag on your behalf. Flags can be donated in a particular person's name as a way of honoring them. If you have any questions regarding the process please contact the BC International Committee at international@bc-girlguides.org.

Barbados	Nicaragua
Chile	Oman
Columbia	Pakistan
Cyprus	Panama
