

## Volunteer Opportunity Programming Committee

Is the Girl Guide program your area of passion? Do you have ideas about how to support the program in providing opportunities for girls to explore everything they want to be? Then this is the opportunity for you!

The Programming Committee is a team of volunteers who work directly with the National Programming Staff to advise, support and inform GGC's girl programming. The Committee weighs in on new content opportunities, provides feedback on program development and delivery, and shares their insights on girl programming related areas.

We are currently recruiting 1 girl member and 2 adult members to join the committee!

### Who Can Apply

- Adult Members – with unit Guider experience within the last five (5) years
- Girl Members – 14-17 years of age

### Who You Are

The girl-driven approach and girl empowerment must be in your DNA! We're looking for enthusiastic individuals who are excited to play a role in the ongoing development of the program and other programming related opportunities. Ideally you are someone who:

- Is excited by the idea of supporting the ongoing creation of programming that will deliver on GGC's mission "to be a catalyst for girls empowering girls"
- Is knowledgeable and comfortable with the new program and how it works, including the online program platform
- Has experience in or a passion for any of the program areas or themes, camping, international Guiding including WAGGGS or community service
- Is a creative, dynamic, and out of the box thinker
- Is comfortable with and has access to technology (we use skype for meetings)
- Is a strong communicator
- Is able to be objective and see the bigger picture of programming
- Is able to complete work or tasks within a given timeline (usually 5-10 days)

### What You'll Do

Working closely with other members of the Programming Committee and the National Programming Department, your tasks may include:

- Providing insights and feedback on the development, revision, delivery and implementation of current and proposed programming for girl members
  - This might include input on the new program content, National Service Projects, travel and events, camping and outdoors, and international programming
- Compiling feedback from stakeholders, such as girl members, adult volunteers, etc. on items related to programming
- Giving advice and recommendations to the National Programming Department on programming initiatives
- Making recommendations on programming content based on the interests of girl members, as well as current issues and trends in the areas of youth programming and related activities
- Screening, reviewing and recommending program ideas by members, for referral to the National Programming Department
- Undertaking other work related to programming as requested by the Programming Department

### The Commitment

- The Programming Committee meets once per month (via skype) for 1-1.5 hours
- For girls, the ability to commit until August 2020
- For Guiders, the ability to commit until August 2022
- A general commitment of approximately five (5) to ten (10) hours per month
