

Girl Guides of Canada

CAREER COMPASS

MAY 22-24, 2026 | York University | Youth aged 16-19

Why Girl Guides is hosting Career Compass

Not sure what's next after high school? Feeling the pressure to figure it all out? That's where Career Compass comes in – a Girl Guide event designed to help you explore your next steps, your way.

From May 22–24, join Girl Guides from across Canada for an unforgettable experience filled with inspiration, learning and connection. You'll have the chance to:

-  Explore post-secondary and career options – from university and college to trades, entrepreneurship and more
-  Build real-world skills – from resumes to interviews to discovering what makes you stand out
-  Connect with inspiring women mentors who've been where you are
-  Celebrate your success at a special gala night

Why this is not your average career event

Designed by youth, for youth – built around what Girl Guides like you are saying they need most

Future-focused – explore emerging fields, today's job market and practical next steps

Mentorship that opens doors – connect with inspiring women leaders

Your adventure, your way – choose the workshops, interactive sessions and skill-building activities you want to be part of

The world's changing fast – and it's normal to feel unsure about what comes next. Career Compass gives you real tools, real mentors and real confidence to map out your path with clarity and support.

Looking ahead: Digital activities and regional summits

In early 2026, join virtual workshops with guidance counsellors, career coaches and experts to get ready for your future. In 2027, regional Career Compass summits will bring more opportunities to explore, connect and plan your next steps closer to home.
