

# Cambrian Corner

The Guiding year is up and in full swing. All units have had many meetings, enrolments and most of all fun. Here is what the Cambrian Area Districts have been up to.

## *Flin Flon*

Guides had a Guide and Dad night. They built birdhouses and painted them.

Brownies and Guides had a Halloween Themed Enrolment Ceremony.

Brownies Learning about pottery – Special Guest Melanie Rodabaugh who does pottery

District Christmas Party everyone brought something to donate to The Women's Safe Haven

The Pas

Girl Guides of Canada-The Pas District are recognized for the Community Recognition award. Active since the 1930’s in The Pas, the Girl Guides are one of the longest running youth groups in The Pas. With over 100 members, the organization is strong as ever. ‘My daughter has belonged to the organization for the past five years and they have given her courage and strength to face any challenges she may come

## Dauphin Mall Sleepover

Girl Guide Members from The Pas and Flin Flon took part in the annual Dauphin Mall Sleepover October 15-16, 2016. Fun was had by everyone

The girls on the bus

Everything all set up for sleeping.

Group Photo

Waiting for the bus

A Halloween decoration we found in the Haunted House.

They also had a photo op for everyone to get their photos taken with. Here is mine. All the girls and leaders that went got their photo taken in front of this.

## Guiding Mosaic 2016

July 2016 Girls from our Cambrian Area took part in Guiding Mosaic in Sylvan Lake, AB – July 8-16, 2016.

The first and last day we had sun and every day in between was full of rain. The girls and leaders had a great time. It was a great experience had by all. Even with all the rain and the lighting and winds, we all survived and had a great time. The girls took part in a service project called “Where’s my Blankie”, we had a day away from camp where we went to West Edmonton Mall for the day and enjoyed the water park there, as well as got a little shopping done. The girls took part in water front activities such as sailing, canoeing, kayaking to name a few, they made chain link bracelets, did rug art, learned how to use a GPS, sang songs learned how to work together. We leaders also took part in some adult sessions. We learned how to arm knit, make a scrap book to name a few things.

Here are some pictures from our adventure.

*Manitoba Group Photo.*  
This is a group photo of all the Manitoba patrols that went to GM. We are in the Edmonton Airport waiting for our buses to take us to camp.

Arriving at Camp after an already long day

Home Sweet Home

Leader picture. We took one every day!!

Leaders packing up their gear!

The girls playing games in the commons area.

The commons was the central area. Here you could get postcards to send home, you could visit with the artist of the day, there was also an area for phone charging, which was always busy. There was also an internet café that anyone could use. You had to pay using GM bucks that you could also purchase. This area they had blow-up slides and activities throughout the week, all different. This was also just across from the main stage where the opening and closing ceremonies and international night took place. By the end of the week it was just a big mud slide where actually some girls (not our girls) covered themselves in garbage bags and slid down the hill. As you can see from the next photo no one could sit, everyone had to stand...to muddy. Hence the name MUDSAIC 2016

3<sup>rd</sup> Manitoba included Nadine Vokey, Emily Pruder from Thompson,

Nikki Rosenberger from Flin Flon, girls were Emily Penney, Eden Morris, Amelia Yaciuk, Brittany Bedford, Haylee Dallas, Paige Kirby-McDougall, Rebekah Hewitson, Janelle Clouston, Arianna Vokey, Kira Milligan and Madison Andrews.

## Provincial Event

As some of you may know, there is a provincial event in the works to being planning.

Nikki Rosenberger is spearheading this great event. They have some help but are always looking for more. If you can help out please contact Nikki. Paperwork has been sent in we are just waiting on pins and needles for an answer. We are hoping to have the event June 24-25 2017.

## Leader Spotlight Mary Beaudry

My name is Mary Beaudry. I am married to a wonderful man Hector, we

have been married 11 years this summer and together 18 years. I am a nurse, working with people with addictions. I am born and raised in Thompson but did live in The Pas as a teenager.

I have been in guiding for 13 years. I am currently a leader in the Thompson Guide unit. I took a break for a few years but now I'm back. I was a Brownie, Guide, Pathfinder, Junior leader and now a leader. I enjoy making a difference in the young girls' lives.

Memorable moment would be the honour guard at *Relay For Life*, after losing my grandmother to cancer in March and my mother in law fighting cancer at the time of this event, it was very meaningful to be part of that event with Nadine and a few of the girls.
