Campfire's Burning

Campfire's Burning (x2)
Draw Nearer (x2)
In the Glowing (x2)
Come Sing and Be Merry

Land of the Silver Birch

Land of the silver birch, home of the beaver
Where still the mighty moose wanders at will
(Chorus)
Blue lake and rocky shore, I will return once more
Boom diddy boom boom (x3)

My heart is sick for thee here in the lowlands
I will return to thee, hills of the North

Chorus

Swift as a silver fish, canoe of birch bark,
By mighty waterway carry me home

Chorus

There where the blue lake lies, I'll build me wigwam
Close to the water's edge, silent and still

Chorus

40 Years on an Iceberg

40 years on an iceberg out on the ocean wide
Nothing to wear but pyjamas, nothing to do but slide
Gee but it was chilly, the frost began to bite
I had to hug a polar bear to keep me warm at night

I Don't Wanna Go to Girl Guide Camp

Chorus:

Oh I don't want to go to Girl Guide Camp!
Please ma I wanna go, but they won't let me go
Gee ma I wanna go home!

At Girl Guide camp they say the food is mighty fine,
A pea rolled off the table and killed a friend of mine!

Chorus

At Girl Guide camp they say the tents are waterproof,
You wake up in the morning and you're floating on the roof!

Chorus

At Girl Guide camp they say the leaders are mighty fine,
They wake you up at seven and they get up at nine!

Chorus

At Girl Guide camp they say the drinks are mighty fine,
You ask for coca cola and they give you turpentine!

Chorus

Sister Guides

(To the tune of Edelweiss)

Sister guides, sister guides
We are thinking about you
'round the world, flags unfurled
Always ready to greet you!

Promise and law may we aim to keep
Standards higher and higher
In this way, may we say
May good blessings surround you!

Barges

Out of my window looking at the night I can see the barges flickering light.
Silently flows the river to the sea and the barges too go silently.

(Chorus)

Barges I would like to go with you, I would like to sail the ocean blue.
Barges have you treasures in your hold? Do you fight with pirates brave and bold?

Out of my window looking at the night I can see the barges flickering light.
Starboard shines green and port is glowing red, I can see the barges from my bed.

Chorus

hum the third verse

Chorus

On My Honour

(Chorus)

On my honour I will try
There's a duty to be done, and I say 'I'.
There's a reason here for the reason above
My honour is to try and my duty is to love.

No one needs to know my name
If I've hurt someone, then I'm to blame.
If I've helped someone, then I've helped me
And that's the way that it should be

Chorus

I've tucked away a song or two
If you're feeling low, there's one for you.
If you need a friend, then I will come
There's plenty more where I come from
Chorus

Come with me where the fire burns bright
You can see much better by its own light.
You can find more meaning in a campfire glow
Then we've ever found in a year or so.
Chorus

We've a promise to always keep
And to sing 'day is done', before we sleep.
We are Girl Guides together and when we're done
We'll still be a-trying and a-singing this song.
Chorus

Taps

Day is done
Gone the sun
From the seas, from the hills, from the skies
All is well
Safely rest
God is nigh/peace my friends
