

## Nature Paintbrushes Instructions

1. Go outside and collect small natural items: leaves, pinecones, flowers, grass, seed pods, pine needles etc.
2. Collect some small sticks (or use chopsticks or popsicle sticks) for the handles.
3. Use an elastic band to secure the natural items to the end of the handle.
4. You can make several different paintbrushes: one with pine needles, one with grass etc.
5. Dip into paint.
6. Younger girls can make their paintbrushes out of clothespins.
7. Pinch the natural item with the clothespin "handle".
