A milestone of 2016 was the 90th Anniversary of *Camp Wa-Thik-Ane*. A series of "The 90 days of campfires" kicked off on Thinking Day and many units, districts and gatherings posted photos and clips leading up to camp opening. The weekend of August 12-14, a great celebration took place, involving scores of volunteers, and extensive planning.

Hundreds of guests experienced a taste of WTA, camping as it was back then, and today. Four new rowboats and a new woodstove for Huron were among the anniversary reveals, thanks to some of our generous donors, and ongoing improvements to the camp were evident. A commemorative plaque was unveiled, celebrating the three generations of the Guenette family who have tended to the smooth running and stewardship of our property since 1926. Here's to many more years by the 'Peaceful Waters'

Thank you to all the Québec Guiding members! From a beaming little Spark to the most distinguished Trefoil Guild member, with all the amazing women in between, together we are Girl Guides of Canada-Québec Council. We flourish and grow through the efforts and passions of everyone. Thank you for your support throughout our term, and for making the Provincial Commissioner experience so rewarding.

Un grand remerciement à toutes les membres des Guides du Canada-Conseil du Québec. De la plus petite et souriante des Sparks, à la plus distinguée des femmes des Guildes du Trèfle, ainsi qu'à toutes nos membres merveilleuses, nous sommes les Guides du Québec. Grace à la passion et l'enthousiasme de l'ensemble de nos membres, nous fleurissons. Vous avez soutenu notre engagement comme conseil durant ces trois ans, et votre dévouement a permis de rendre mon mandat de commissaire provinciale des plus comblant. *Valerie Zaloum*
