Girls First Webinars

Alberta Council offers a series of webinars for Guiders to find out more about the new program.

Introduction to Girls First

The first webinar, 'Introduction to Girls First' covers the basics of the changes and is open to Guiders from all branches. It looks at the WHY and WHAT of Girls First and covers the two essential program components that National strongly advises that all Guiders take. Attendance is recorded in iMIS.

Branch Specific Girls First

Unique to Alberta Council, the second webinars are branch specific and cover HOW to introduce Girls First into your unit. You must complete the Introduction to Girls First Webinar, or, attend a one-hour face-to-face session to register for a branch-specific session. These webinars are not mandatory, but they help you introduce the program in your unit. Attendance is recorded in iMIS.

Click near the bottom of the registration form for a drop menu showing available dates. Webinars are added to the schedule regularly; please check back if the dates listed are not convenient for you.
