

Tic-Tac-Toe Boxes

- From your local craft store purchase small - medium size wooden boxes with lids
- Paint these boxes any way you wish using ceramic paints
- When the paints have dried using a black permanent marker draw the Tic-Tac-Toe lines across the top of the lid (making sure to use the entire top surface).
- Using coloured gems or rocks from your dollar store as your Tic-Tac-Toe pieces.
- For easy storage all pieces can be kept inside your wooden box with the lid closed
- An all in 1 game good for at home or on your travels
