Save the Date: 2020 Vision – Multi-faceted Training

Something for every Guider! May 1 - 3, 2020 in Red Deer. Join us to welcome the new Provincial Commissioner, say thanks to the retiring Commissioner and have some fun while learning new skills, absorbing information and connecting with friends. More details to come, watch for registration information.
Responding with Care

Supporting girls’ mental health provides information and strategies to help Guiders support girls dealing with mental health challenges. Guiders will learn what to do when mental health issues arise in their units and how they can provide effective support.

This training will provide practical advice to Guiders so they feel equipped to support their girls.

You can check out the new Responding with Care e-module on the Enrichment Training page of Member Zone on the national website.
