

GIRLS FIRST

Alberta Council is continuing its series of webinars for Guiders to help you find out more about the new program.

The first one: 'Introduction to Girls First' covers the basics of the changes and is open to Guiders from all branches. It will look at the WHY and WHAT of Girls First. It is required for Guiders within a month of switching to Girls First. Attendance will be recorded in iMIS.

Several 'Introduction to Girls First' webinars continue to be scheduled; check the bottom of the registration form for current available dates.

Unique to Alberta Council the second webinars are Branch specific and cover HOW to introduce Girls First into your unit. You must have taken the Introduction to Girls First Webinar or attended a one- hour face-to-face session in order to register for a Branch specific session. These webinars are not mandatory but they will help you introduce the program in your unit. Attendance is recorded in iMIS.
