OAL Adventure Camping Trip Experience Log

Use this log to track your adventure camping experiences. It is especially important:

- If you are new to adventure camping as this log will help you document your experience leading to the requirements of a Safe Guide Trip Assist or Trip Lead.
- If you are new to Girl Guides and have experience from elsewhere, this is a format for documenting your experience.

Trip type (canoe, kayak backpack etc.)	Dates of trip	Route description	Length (km)	# of trip nights	Size and age of group (adult or youth?)	Position(s) on trip (leader, organizer, participant)	Role in management and prep (Route planning, food, gear, navigation etc.)
