Girls First Launch Leaders

Volunteer Position FAQs

Girl Guides of Canada is planning to celebrate the launch of our brand new program. And we want YOU to take the lead in making this celebration the ULTIMATE event for girls in Guiding.

1. Where and when will the Girls First launch parties be held?

- WHERE: There will be three nationally-sponsored events – in **Moncton**, **Toronto** and **Vancouver**
- WHEN: Saturday, September 29, 2018

2. What will I be doing in this role?

You'll be working with the Special Experiences team in small groups to help plan and run this Girls First launch event. What you do will depend on what you're interested in, but options include:

Before the event:

- Selecting themes, activities and talent for the event
- Planning onsite event logistics, such as food and beverage menus, design and décor, and other special touches
- Sharing your amazing ideas for various event elements

During the event:

- Assisting with orientation, registrations and activities onsite
- Hosting the main stage at your local event

You'll be working with a team and supported by an adult ally every step of the way, so DO NOT WORRY if you have not done something like this before. That's what makes it exciting. ☺

3. What's in it for me?

In addition to acting as a Girl Guide ambassador, volunteering for this event will be a great way to explore some potential career opportunities, such as:

- Event planning

- Youth programming
- Hospitality
- Venue management
- Really, anything requiring organization and leadership!

It will also be a great way to develop some skills that'll look great on your resume, such as:

- Public speaking (only if you want to!)
- Time management
- Teamwork and team building
- Leadership

Not to mention, it's an awesome chance to show your community that YOU are a dynamic girl boss who knows how to throw an incredible event.

4. **Okay I'm interested... but how much work will this be?**

We will have approximately one team meeting per month. This will usually be over the phone and outside of school hours.

In between meetings, you can decide if you want to work individually or as a group on planning tasks (such as creating a fun menu and choosing fierce girl talent for the party).

On average, you will probably have about 1 hour of work per week, from April – June, and up to 2 hours per week, from July to September.

You would also need to be available and onsite for the full day of the event itself (Saturday, September 29).

Please note: If you are interested but have limited availability, let us know and we will see if we can work around your schedule.

We are so excited to hear from you!
