Directions

When traveling from outside of Lunenburg County get off Hwy 103 at Exit 12 turn left - travel down North Street to the lights, turn right on Aberdeen Road, travel down to the lights going straight across the Veteran's Bridge to second set of lights, going straight now on Victoria Road traveling to yet another set of lights going straight and traveling to St Phillips Street turning right, travel through Aubendale until you reach the community of Midville Branch - landmarks to look for would be a cemetery on the right and then the Midville Branch Fire Department on the right side of the road, then there should be a road sign that says Haines Road to the left which is a dirt road. You travel this road for approximately 1.5 kilometers passing Duhart's body shop on the right and then to the left just past the body shop is the road to WoHeLo. The Trefoil and civic #429 are at the start of the road.
